

First Announcement

V Eurasian Symposium on Hymenoptera

**Novosibirsk, Russia
August 21-25, 2023**

Dear Colleagues!

We are glad to inform you that the V Eurasian Symposium on Hymenoptera will be held in Novosibirsk, August 21–25, 2023. The meeting is organized by Novosibirsk State University (NSU) together with the Institute of Systematics and Ecology of Animals of the Siberian Branch of the Russian Academy of Science (ISEA) and the Russian Entomological Society. All events will take place at NSU.

Organizing Committee

Chair: Dr. Sci., Prof. *Zh.I. Reznikova*, NSU (Head of the Department of Comparative Psychology), ISEA (Head of the Laboratory of Community Ethology), Novosibirsk.

Co-chairs:

- Dr. Sci. *A.A. Legalov*, ISEA (Deputy Director for Science), Novosibirsk.
- Dr. Sci. *V.E. Gokhman*, Botanical Garden of Moscow State University (Head of the Plant Protection Laboratory), Moscow.
- Dr. Sci., Prof. *M.G. Sergeev*, NSU (Head of the Department of General Biology and Ecology) and ISEA (Leading Researcher of the Laboratory of Invertebrate Ecology), Novosibirsk.

Deputy Chair: Dr. *A.M. Byvaltsev*, NSU (Assistant Professor of the Department of General Biology and Ecology), Novosibirsk.

Secretary: Dr. *Yu.N. Danilov*, ISEA (Senior Researcher of the Laboratory of Invertebrate Systematics), Novosibirsk.

Members of the Organizing Committee: Dr. Sci., Prof. *A.G. Bugrov*, Dr. *O.G. Buleu*, *O.V. Efremova*, *M.N. Kim-Kashmenskaya*, *V.A. Korolenya*, *V.V. Molodtsov*, Dr. *M.Yu. Proshchalykin*, Dr. *N.S. Sokolova*, *G.V. Fetter*, *O.R. Druzyaka*, Dr. *S.N. Panteleeva*.

Topics of the Symposium:

- Evolution, Morphology and Systematics.
- Paleontology, Biochemistry and Genetics.
- Ecology, Physiology and Behavior.
- Breeding and Practical Importance.
- Faunistics and Biogeography.

At the beginning of the Symposium there will be a plenary session with selected topics on Hymenoptera presented by invited speakers. Plenary sessions, symposia, poster presentations and excursions will be organized. The languages of the Symposium are Russian and English. The participants are invited to present their contributions as lectures or posters according to the preliminary topics suggested above. Each lecture should last 40 and 20 min for plenary and section presentations respectively.

Theses of the Symposium will be published at the beginning of the Symposium in an electronic format. At the end of the presentations, an open-air session is planned in the vicinity of the Novosibirsk Akademgorodok.

Updated topics of the Symposium, the amount of the registration fee for participants, accommodation options and other details will be announced in the Second information letter.

If you would like to take part in the Symposium, please register at <https://conf.nsu.ru/en> **until February 28, 2023.**

Since the system was mainly created for student conferences, please choose **"Study in another place"** to enter your organization data. In any trouble with this web form, you can also send the following information to us at hymenoptera_nsu_2023@mail.ru:

- Full name.
- Address of your institution.
- Position.
- Scientific degree.
- Preliminary title of the presentation.
- E-mail address.
- Do you prefer an oral (in-person), online or poster presentation?
- Do you need a hotel reservation?

Please inform your colleagues about the Symposium.

If you have any questions, please do not hesitate to contact us at:
